

Become a member of Inclusion Ireland!

Inclusion Ireland is the national advocacy organisation for people with an intellectual disability.

We work towards the full inclusion of people with intellectual disabilities by supporting people to have their voices heard and advocating for rights under the United Nations Convention on the Rights of People with Disabilities (UNCRPD).

If you care about the rights of children and adults with intellectual disabilities-come join our movement for change!

We accept people with an intellectual disability and family members or supporters/allies as members.

As a member you will:

- Be given the first invites to our events.
- Be consulted with on our policy work.
- Be invited to our Annual general meeting and have your voice heard.
- Be kept up to date on all the news about disability issues which may affect your life or the life of someone you support.
- Be invited to join focus groups or working groups on the rights of children and adults with intellectual disabilities.
- Be part of our movement for change-working for a better Ireland for people with intellectual disabilities and their families.

If our strategic plan and our purpose sounds like something you would like to support, please become a member.

You can join on our website..

www.inclusionireland.ie/membership

It is 1 euro per year if you are not working , 10 euro per year if you are working and 100 euro for a support group.
